GREATNESS AWAITS: FROM POSSIBLE TO PROBABLE

With Judson Laipply

Recognizing your potential is an essential step on the road to greatness. Understanding the vast power held within yourself and then learning how to implement that to unlock your greatness is nothing short of a superpower; and every one of us has it. Everyone struggles but not everyone is able to navigate through those struggles to achieve greatness. Nothing great ever happened without struggle. Learn to embrace that struggle and then the “how to” that allows you to influence your life and take your possible to probable.

Join Judson Laipply CSP, world’s first YouTube Celebrity, as we laugh learn, and engage in session that will inform and entertain. Highlighted by a finale of Judson’s performance of “The Evolution of Dance,” this session will help take your possible to probable as greatness awaits you.

PARTICIPANTS LEARN TO:

- Articulate the significance of a specific question and its effect on stress reduction
- Explain the neurological and physiological benefits of laughter
- Identify the two types of change in the world
- Understand how to move from potential to probable
